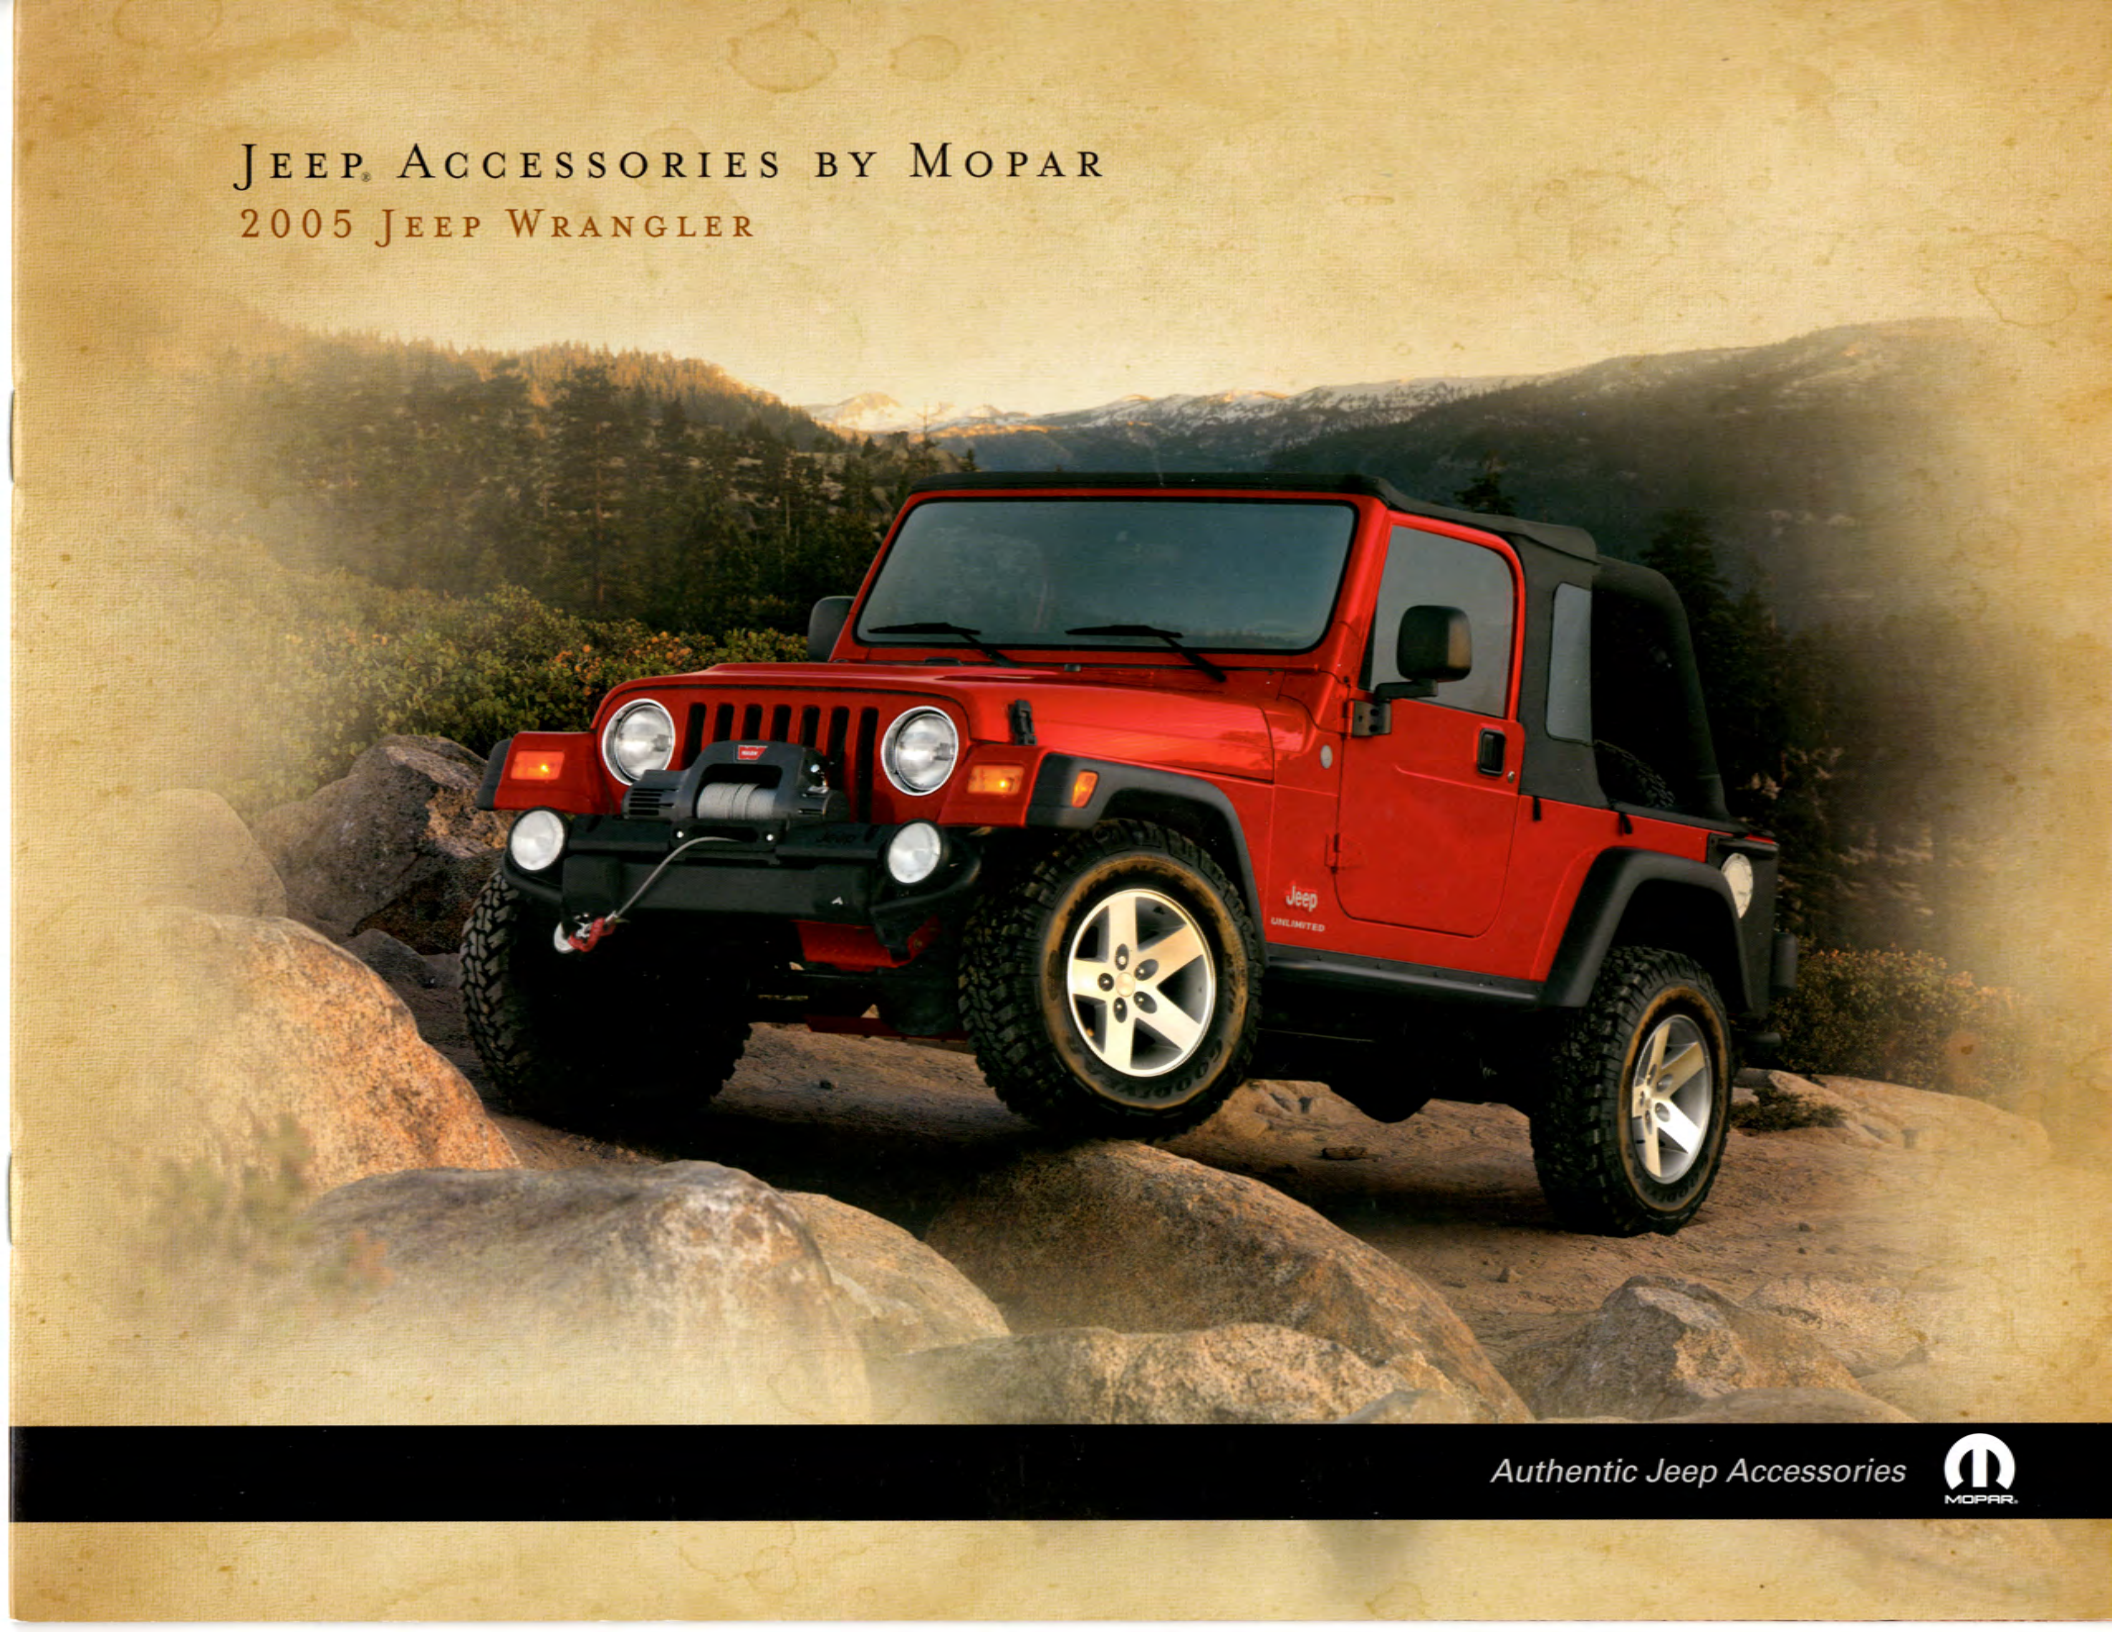
Jeep® Accessories by Mopar

2005 Jeep Wrangler



Authentic Jeep Accessories

MOPAR®

MOPAR®

AUTHENTIC PERFORMANCE™

Behind every Jeep® vehicle built today stands a long legacy of Mopar durability, performance and innovation. From Mopar's initial parts offerings in the '30s, to the legendary Willys MB that helped turn the tide in World War II, to the rugged accessories helping Jeep vehicles blaze new trails today, the Mopar and Jeep names have always signified toughness and capability.

And that legacy is forged into every part and accessory we make today. Mopar is original equipment, the official parts and accessories division of DaimlerChrysler Motors Company, LLC. Which means every Jeep Accessory in this catalog is jointly designed by Jeep and Mopar engineers – the people who know your Wrangler better than anyone else.

Explore our current line of accessories, each one specifically designed to enhance your rugged, go-anywhere, do-anything Jeep Wrangler with premium protection, convenience, style or entertainment. And each one a worthy successor to Mopar's long and storied heritage — a heritage of innovation, quality and authentic performance.

EYE-CATCHING CAPABILITY

CHROME ACCENT PACKAGE

If you're looking to enhance your Jeep Wrangler with accessories that take a shine to the off-road, the **Chrome Accent Package** has your name all over it. It features corrosion-tested tough Chrome Tubular Bumpers for the Front and Rear, a Chrome Grille, Chrome Fuel Filler Door and Chrome Mirror Heads that will stand up to — and stand out in — any adventure.

Front and Rear Chrome Tubular Bumpers* are constructed of rugged 3-inch-diameter mandrel-bent tubing and meet all Jeep brand standards for corrosion resistance – standards aftermarket accessories aren't required to meet. Also available in Black steel or Black aluminum.

*These products are designed solely to enhance the appearance of the vehicle; they are not intended to prevent injury or damage in the event of an accident.

Chrome Grille lets you add to the good looks of your Wrangler. Grille meets the industry's toughest corrosion requirements, and will not adversely affect engine airflow or impede the opening and closing of the hood. An exclusive Jeep Accessory.

Chrome Fuel Filler Door adds a bright complement to any body color. Features Jeep logo, machined good looks and meets all Jeep brand standards for corrosion resistance. Also available in brushed aluminum. (Shown with **Corner Guard**.)

Chrome Mirror Heads reflect what you left in the dust – as well as your personal sense of style. Chrome Mirror Heads meet Jeep brand standards for quality, fit and finish.

CHROME ACCENT PACKAGE

- Chrome Tubular Front Bumper
- Chrome Tubular Rear Bumper
- Chrome Grille
- Chrome Fuel Filler Door
- Chrome Mirror Heads

Also shown: 15x8-inch 5-Spoke Chrome Wheels and Chrome Tubular Side Steps.

OFF-ROAD PACKAGE

- Front Bumper
- Rear Bumper
- Warn® Winch
- Rock Rails
- Skid Plates (for engine and transmission oil pans and steering gear)

Also shown: Premium Half Top Kit, Moab 16x8-inch Aluminum Wheels, Fog Light Kit and Corner Guards.
Skid Plates shown in red for better visibility. Product is available only in Black.

THE ROAD LESS PAVED

OFF-ROAD PACKAGE

There's not a trail yet that has beaten you, and you're all about keeping it that way. Fortunately, the **Off-Road Package** bears the same attitude. It features tough accessories in a textured Black powder-coat finish, including Front and Rear Bumpers, the Warn® Winch, heavy-duty Rock Rails and Skid Plates for the engine and transmission oil pans and steering gear. With this go-anywhere, do-anything package, you'll take to the trails feeling more confident than ever.

Off-Road Front and Rear Bumpers* are built to meet the industry's toughest corrosion requirements. Bumpers offer a close, high-clearance, body-wrapping fit, and provide approach and rear quarter-panel protection without sacrificing clearance for extreme departure angles. (Shown with **Corner Guards**.) **Front Bumper** features integrated, hard-to-steal winch mount, protected fog light mounts and available brackets to mount a farm jack. **Front** and **Rear Bumpers** both include tow eyes.

*These products are designed solely to enhance the appearance of the vehicle; they are not intended to prevent injury or damage in the event of an accident.

Warn Winch† combines a massive protective structure with sophisticated user feedback control. It packs 9,500 lb of pulling capacity into a 12.5-lb aluminum die-cast body, which has been sealed for water resistance. Thermometric Indicator gives the operator information about motor operating temperature on the handheld remote. Comes with a Hawse Fairlead and 125 feet of cable.

†Heavy-duty battery, springs and shock absorbers recommended for winch installation.

Warn is a registered trademark of Warn Industries, Inc.

Rock Rails are designed with trail crawlers in mind. They feature heavy-duty rub bars with a durable Black powder-coat finish that helps protect your Wrangler from rocks and other debris without sacrificing ground clearance. Available in two styles.

Skid Plates are constructed of heavy-duty steel to help protect the engine and transmission oil pans and steering gear while you're focused on covering some serious ground. Available in Black only.

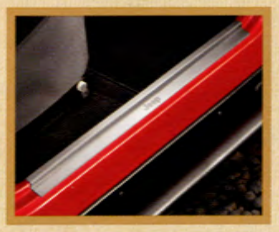
GO WILD

TRAVEL PACKAGE

Planning is for wimps. Preparation ... now that's another story. When your idea of getting away is to pack up and head out, make sure your Wrangler is prepared with the always-ready-to-go **Travel Package**. It features Add-A-Trunk for extra storage, Door Entry Guards, Taillamp Guards, Chrome Exhaust Tip and Rubber Splash Guards so you can look good and be prepared no matter where you're headed.

Add-A-Trunk* creates lockable cargo storage space behind the rear seat large enough for camcorders and your outdoor gear. **Add-A-Trunk for Jeep Wrangler Unlimited** offers over 6 cubic feet of lockable storage and features a reversible top with cup holders and table space for tailgating. (Wrangler model measures 3 cubic feet.) Use of the unit does not impede the use of a child safety seat. Both models are easy to install and remove and offer easy access to your possessions.

* Properly secure all cargo.



Door Entry Guards help protect interior door sills from scratches. Available in Black plastic (without Jeep logo) or stainless steel style (with embossed Jeep logo).

Taillamp Guards offer high-impact protection for your Wrangler's taillamps when you head off-road. Available in Black steel, and Black or Silver aluminum. (Shown with **Corner Guard**.)

Chrome Exhaust Tip adds extra style to your Wrangler's rear end. Rigorously tested for corrosion resistance to ensure a long-lasting shine.

Rubber Splash Guards are ultra-thick to provide maximum protection from gravel, salt and other road debris. "No-drill" brackets are included for easy installation. Features exclusive Jeep logo. Sold in pairs.

TRAVEL PACKAGE

- Add-A-Trunk
- Door Entry Guards
- Taillamp Guards
- Chrome Exhaust Tip
- Rubber Splash Guards

Also shown: Rocky Mountain Wheels available in 15x8-inch and 16x8-inch dimensions, and one of the available Premium Spare Tire Covers.

BEAUTY IN THE BEAST

INTERIOR PACKAGE

Even when you tackle harsh outdoor elements, inside you'll stay clean and comfortable. The **Interior Package** features the Carbon Fiber-Style Center Stack, Grab Handle/Clothes Hanger, Slush Mats and Water-Resistant Seat Covers, all designed to look good and perform well under extreme conditions. So go ahead and let your Wrangler get wet and wild — while you stay high and dry.

Carbon Fiber-Style Center Stack is available in multiple finishes, so you can tailor your instrument panel to complement your own unique style.

Grab Handle/Clothes Hanger gives rear passengers a ready hand-hold and features a convenient hook for transporting clothes on a hanger.

Slush Mats for Front and Rear are custom-fit, made of heavy vinyl, and feature deep grooves to help prevent water, snow and mud from spilling onto the floor. Nibbed backing with driver's side positive retention helps keep mats in place. Mats are color matched to your vehicle's interior and feature the exclusive Jeep® logo.

Water-Resistant Front and Rear Seat Covers are constructed of Espuma "wet suit" material and help keep dirt and moisture off your seat surfaces. Both covers are custom-fit, and passenger-side cover has a seatback pocket. Covers feature Jeep logo and are easily removed for cleaning.

INTERIOR PACKAGE

- Carbon Fiber-Style Center Stack
- Grab Handle/Clothes Hanger
- Slush Mats, Front and Rear
- Water-Resistant Seat Covers

Also shown: Combination Kit, 15x7-inch Polished Cast-Aluminum Wheels, Taillamp Guards, Corner Guards, Black Tubular Side Steps, Rear Bumper and Cat-Back Exhaust.

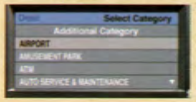
THE INSIDE TRACK ON THE LATEST TECHNOLOGIES

DIRECTIONS AND DIVERSIONS

Map display

Turn-by-turn instructions

Written directions



Points of interest

Navigation Radio (RB1) is a sophisticated, yet simple-to-use combination DVD navigation/audio system. It utilizes Global Positioning System (GPS) technology, one geographic DVD data disc, and onboard computing to provide you with turn-by-turn directions for the entire mapped United States and parts of Canada. Highlights include voice instruction (in English, French-Canadian or Spanish), automatic re-route calculation, full map displays, extensive points-of-interest listings and memory for storing 100 personal addresses. The unit also features a 4.2-inch color display, AM/FM stereo, CD player and 10 AM, 10 FM and 10 SIRIUS Satellite Radio presets.*

ENTERTAINMENT FOR EVERYONE

SIRIUS Satellite Radio introduces a new level of depth and content to radio listening by providing over 120 channels of coast-to-coast digital entertainment including 65 channels of commercial-free music and over 50 channels of sports, news and talk. Programming varies from the Best of the '80s and Rock to Classic Jazz and Country, from ESPN Radio and The Weather Channel to Radio Disney and The SIRIUS Comedy Channel.

SIRIUS also provides round-the-clock, non-stop traffic and weather via SIRIUS 1st Traffic & Weather. Tune in for frequent in-depth reports for the most congested cities across the country — over 20 metropolitan areas.

And that's not all. Now you can follow all of your favorite sports teams with dedicated sports channels featuring live broadcasts of up to 40 games a week from the NBA and NHL®, including out-of-market coverage. Best of all, you can hear every NFL® game, every week, everywhere.

The system uses S>PLEX (statistical multiplexing) technology, which optimizes the fidelity on each channel to provide superior sound resolution. The SIRIUS Satellite Radio System plays directly from your vehicle's radio with the installation of a special receiver and antenna. Activation is free; a monthly service fee will apply.

SIRIUS, the dog logo and SIRIUS channel names are logos and trademarks of SIRIUS Satellite Radio Inc. Channel information is correct at time of printing. SIRIUS is available within the continental United States. The National Basketball Association name and logo are the property of NBA Properties, Inc. NHL is a registered trademark of the National Hockey League. NFL is a registered trademark of the National Football League.

Mopar Radios are designed to work perfectly with your vehicle's existing electrical system and integrate seamlessly with your dash. Each features 66 watts of total maximum power at 3% total harmonic distortion, generous AM/FM station presets and SIRIUS Satellite Radio System compatibility.*

Radio selections include:

- AM/FM Stereo Radio with Cassette, CD Player and Integrated CD Changer Controls (RAZ)
- AM/FM Stereo Radio with CD/MP3 Player. Capable of playing CDs, CD-R, CD-RW discs with MP3 tracks and multi-session discs with CD, MP3 and computer files (RAH)

RAZ

RAH

*Requires satellite receiver/antenna kit, installation kit and satellite radio subscription.

6-Disc CD Changer is mounted in the rear cargo area yet allows you to control six discs of your favorite music right from your radio's Integrated CD Changer Controls. Features a silicone damping system which ensures precise tracking while virtually eliminating skips. Requires installation kit.

THEFT PROTECTION

Security Systems from Mopar are factory tested to help safeguard your Jeep Wrangler against tampering, towing and theft of vehicle contents.

Mopar has security systems that can add Perimeter Alarm protection and Interior Theft protection, giving you the peace of mind of full vehicle security.

ADDITIONAL AUTHENTIC JEEP® ACCESSORIES BY MOPAR TO ENHANCE

Tubular Brush Guard* is designed to match your vehicle's front end perfectly. Guard features a rugged steel substructure and will not adversely affect airflow to the engine compartment, impede the opening and closing of the hood or obstruct light beams. Available in Black or Chrome steel as well as Black aluminum. Not applicable with Tow Hooks, Tubular Bumper or Winch.

Black Tubular Front and Rear Bumpers* are constructed of rugged 3-inch-diameter mandrel-bent tubing so you and your Wrangler can stand up to the forces of nature. Bumpers match the contours of Wrangler's body perfectly. Available in Chrome and Black steel and Black aluminum.

Front Grille Guard is mandrel-bent and protects lower grille from off-road debris. Corrosion-resistant finish ensures long-lasting appeal. Not applicable for Tubular Bumper.

V-Hood Cover offers a unique style of protection for your hood. Comes in Black with a light Silver Jeep brand logo.

Front-End Cover protects your vehicle's front end from damage caused by gravel, insects and road debris. Two-piece construction allows hood to be opened with cover in place, while foss backing safeguards your vehicle's paint and Clear Coat finish. Screen covers grille area for added protection.

Front Air Deflector is made of shatter-resistant Lexan®, and helps direct bugs and other road debris up and away from the hood and windshield without adversely affecting wiper or washer operations. Matching **Fender Shields** also available.

Lexan is a registered trademark of General Electric Corporation.

Production-Style Molded Side Steps fit the contours of your vehicle perfectly and help make entering and exiting safer and easier. Feature a steel substructure and high-impact thermoplastic cladding.

Fog Lights† undercut inclement weather and minimize glare. Six-inch lights feature a production switch, wire connectors and wiring harness.

Corner Guards cover your Wrangler's corners with thick, Black, corrosion-resistant metal that will stand up to the most unforgiving trails. Guards include a tough built-in rub rail that offers extra protection from trees, rocks, and the like — a feature you won't find anywhere else. Available in textured Black steel and Diamond Plate.

Cat-Back Exhaust is designed specifically for your Wrangler to produce optimal performance and sound. Custom Borla® exhaust system is rigorously tested to help ensure a long-lasting bright finish.

Borla is a registered trademark of Borla Performance Industries.

Tow Hooks are made of heavy-duty forged steel. **Front Hooks** (5,000-lb capacity) mount to vehicle frame and are sold in pairs. **Rear Hooks** (4,000-lb capacity) come in either a single hook for use with a Mopar **Hitch Receiver** (sold separately) or two frame-mount hooks, complete with their own mounting kit.

Hitch Receivers* are available in Class I and Class II (Unlimited only) capabilities, can tow up to 3,500 lb with proper equipment and can be used with production or Mopar **Tubular Bumper**. Mopar Hitch Receivers are constructed of heavy-duty steel with electrocoat primer and a Black powder-coat finish, so they'll stand up to the elements year after year. Class I Hitch includes Ball Mount and 1⅞" Hitch Ball. Wiring Harness and Hitch Receiver Plug sold separately.

†Check Owner's Manual for hitch type, load capacity and heavy-duty equipment required. Trailer may require items not supplied by Mopar.

Spare Tire Bike Carrier mounts to spare tire and holds two bikes. Comes with a cable for locking bikes to carrier — and carrier to vehicle — and features rubber inserts in the carrying clamps to help protect bike surfaces. Women's bike adapter sold separately.

Hitch-Mount Fold-Down Bike Carrier holds two bikes and allows you to open and close the tailgate without removing bikes from carrier. Features carrying clamps with rubber inserts to help protect bike surfaces and comes with a cable for locking bikes to carrier (lock not included) and an antitheft bolt that locks the carrier to the vehicle. Women's bike adapter sold separately.

Spare Tire Ski Carrier (not shown) mounts to spare tire and holds up to four pairs of skis. Includes cable for locking skis to carrier.

Tubular Light Bar* installs directly on the windshield frame and includes mounting tabs for the **Off-Road** (shown) and **Low-Profile Lights**. Bar will not affect the operation of Wrangler's Soft Top. **Off-Road** and **Low-Profile Lights** provide a consistent, accurately aimed light. They're available for the Light Bar in round (shown) or low-profile rectangular-style lights. Includes impact-resistant light covers. Lamp wiring harness sold separately.

*These products are designed solely to enhance the appearance of the vehicle; they are not intended to prevent injury or damage in the event of an accident.
† Check state and local regulations for restrictions on installation and use. Heavy-duty charging system required when using four lights.

YOUR LIFESTYLE

Premium Half Top Kit lets you recreate the long-wheelbase, open-air look of the legendary Jeep® Scrambler. The Half Top is available in Black, Khaki and Medium Gray. Features a zip-down rear window with a built-in mesh screen, powder-coated hardware and tailgate system that lets you access the rear of your Wrangler without detaching the rear deck. Heavy-duty seams and exclusive door-frame system minimizes wind noise and water leaks. Fits with or without the rear seat installed.

Soft Top features two quick-release latches that allow the top to be put up or down easily. Heavy-duty seams and exclusive door-frame system minimize wind noise and water leaks. Made from the premium production-style three-ply fabric blend.

Hard Top is the best way to get through winter. Identical to the production top; rear wiper and defroster included. Available in Black, Khaki and Medium Gray.

Sun Bonnet is constructed of a durable soft-top material and is compatible with Soft and Hard Top-equipped vehicles. Available in Black, Khaki, Medium Gray and Dark Blue denim color.

Combination Kit is composed of rear-seat-area **Tonneau Cover** with snapless attachment system; **Wind Screen** (including rear window); and durable, soft-top-material **Sun Bonnet**. Available in Black, Khaki and Medium Gray.

Cab Cover is made of weather-resistant nylon and fits snugly over your Wrangler's roll bar and windshield to help keep the interior clean and dry. Includes two integrated straps that attach to the door frame to secure the top to the vehicle.

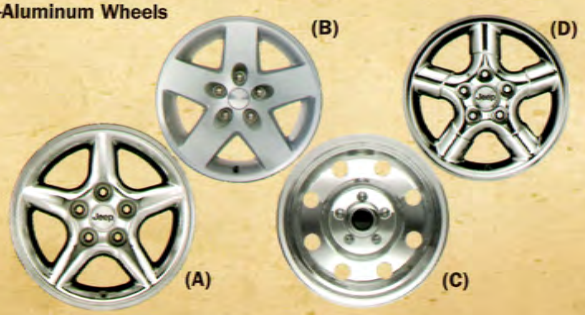
Soft Top Boot installs easily to protect your Soft Top when it's folded down. Includes a special zippered pouch to store Soft Top windows. Available in Black and Khaki.

Window Storage Bag[§] allows for easy storage of windows when not in use. Soft lining in each of the bag's window compartments prevents scratching of windows.

[§] Properly secure all cargo.

Roadside Safety Kit is the perfect accessory for every off-roader. The kit includes six-gauge jumper cables, a large fleece blanket, leather gloves, multifunction flashlight, 2"x20' recovery tow strap and a heavy-duty tote. Packed in a large multipocket nylon tool bag with exclusive Jeep logo.

Mopar Premium Wheels are machined to match your vehicle's hubs exactly so they'll run true and balance easily for a smooth ride. They also undergo stringent testing to prove their durability and ensure a long-lasting sparkle. (A) **15x8-inch 5-Spoke Chrome Wheels** (B) **Moab 16x8-inch Aluminum Wheels** (C) **Rocky Mountain Wheels in 15x8-inch and 16x8-inch dimensions** (D) **15x7-inch Polished Cast-Aluminum Wheels**



Spare Tire Covers add just the right touch to your Wrangler. The **Premium Covers** are available in a variety of unique Jeep designs. They are made of a cotton/polyester-blend with heavy-duty stitching and feature an elastic anchor to securely hold the cover on the tire. The **Deluxe Cover** features a molded antitheft mount, heavy-duty zipper closure, and is made of foss-backed denim fabric. The **Molded Cover** is custom molded to fit specific tire sizes and is made of durable thermoplastic and vinyl. The **Hybrid Cover** features a hard plastic molded face and vinyl with elastic wrap that fits securely around the back of spare. All feature the Jeep logo.

Production-Style Center Console features an armrest for the driver and front passenger, open storage trays and lockable storage compartment. Drink holders securely hold soda cans and bottles for front and rear passengers.

Molded Splash Guards are custom contoured to vehicle body panels for a stylish, functional appeal and maximum protection from gravel, salt and other road debris. "No-drill" brackets are included for easy installation. Rear guards feature the exclusive Jeep logo. Sold in pairs for front or rear.

Carpet Floor Mats feature durable nylon carpet. Rubber-nibbed backing with driver's side positive retention helps keep mats in place. Color matched to vehicle interior and feature the Jeep logo.
