UNLIMITED

INTRODUCING THE ALL-NEW

JEEP WRANGLER UNLIMITED

The Jeep brand has a rich and storied history of stretching vehicles, including the now classic Jeep Scrambler (CJ-8). We extended the Unlimited to answer a need for a "go-anywhere, do-anything" Wrangler with more room for passengers, cargo and everything. Double the cargo space. More rear passenger room. 30% quieter with both soft and hardtop. 10-inch longer wheelbase for greater on-road comfort and off-road capability. Only the Jeep brand could build a vehicle so capable, so versatile and fun. Grown in America, stretched in Toledo. 100% Jeep Trail Rated™ 4x4. IF IT'S NOT TRAIL RATED, IT'S NOT A JEEP 4x4.

Or fold it all the way back for an extra-long wind-in-your-hair convertible experience. With 15 extra inches of breathing room, the larger-than-life Wrangler Unlimited is ready to stretch your horizons on the limits of fun. For even more fresh air, take off the doors and fold down the windshield.* Unlimited's wash-out interior features removable carpeting, water-resistant seat fabric and drain plugs. The top comes complete with deep-tint side and rear windows. Wrangler Unlimited offers open-air freedom like no other.

THE LEGEND GROWS. Adding 15 inches may not seem like a lot, but when they're added to the icon of the Jeep brand, it's big news. The additional five inches behind the rear wheels and 10 inches of wheelbase plus a new NVH (Noise Vibration and Harshness) package help Unlimited claim a best-in-segment balance of on-road comfort and off-road capability. And best of all ... it's still 100% Wrangler. "Go-Anywhere, Do-Anything, and now Bring-Everything."
