

NO: 08-99-98

SUBJECT: "Canadian" Airbag On-Off Switches

DATE: Jan. 20, 1999

THIS BULLETIN APPLIES ONLY TO VEHICLES IN CANADA

THE KITS LISTED IN THIS BULLETIN ARE SPECIFIC TO VEHICLES OPERATING IN CANADA. THE DEACTIVATION AND DOCUMENTATION PROCEDURES APPLY ONLY TO CUSTOMERS IN CANADA. FOR VEHICLES OPERATING IN THE UNITED-STATES, REFER TO TSB 08-17-98 Rev. C

NOTE: THIS BULLETIN IS PROVIDED TO IDENTIFY THE PARTS AND PROCEDURES NECESSARY TO DEACTIVATE AIRBAGS. AIRBAG DEACTIVATION IS A CUSTOMER PAY PROCEDURE AND IS NOT COVERED UNDER THE PROVISIONS OF THE WARRANTY. THE COMPONENT PARTS ARE COVERED UNDER THE APPROPRIATE MOPAR PART WARRANTY.

DISCUSSION:

Chrysler is now offering airbag on-off switches for the selected vehicles listed above. Other applicable passenger vehicles will be announced when the switches are available. The switches are packaged in a kit containing all necessary parts (except for Viper models, the instrument panel fascia must be ordered separately) and a detailed instruction sheet. Under the Transport Canada program, consumers qualify for an on-off switch by self-certifying they meet any of the enumerated criteria. Airbag on-off switches **must not** be installed without the vehicle owner presenting the Transport Canada declaration form. For more information concerning the declaration form call Transport Canada at 1-800-333-0371.

Dealers are encouraged to install these switches when the customer is interested in doing so and has the necessary Transport Canada acknowledgment. Customers in the province of Québec must have the necessary Société d'assurance automobile de Québec (SAAQ) acknowledgment.

DEACTIVATION/DOCUMENTATION PROCEDURE:

1. The owner **must** present a "Declaration of Requirements for Air Bag Deactivation Form" completed and acknowledged by Transport Canada or the SAAQ certifying the specific vehicle by its vehicle identification number. The acknowledgment applies **only** to the vehicle identified and not to other vehicles that the owner may have.
2. The owner **must** complete the Air Bag Deactivation Acknowledgment, Release and Indemnity Agreement form.
3. Due to safety requirements, Chrysler **will not permit over-the-counter sales** of air bag switch kits and **only dealer installations** are allowed.
4. Dealers performing the switch installation, must follow the procedures listed in the Service Administration Bulletin 1999-02.

THE TECH HOTLINE IS RESPONSIBLE FOR RELEASING AIR BAG SWITCH KITS ONCE THEY ACQUIRE THE PROPER DOCUMENTATION.
